Mr. and Mrs. Vernon Castle

—IN—

The Whirl of Life

The idols of the dancing world in a story woven about their actual romantic career, written by Mr. Castle himself. Giving you an intimate study of stage and society life and takes you into their famous "Castle House." Wonderful a scene in a ballroom, the stage and in richly lighted royal ballrooms. Mrs. Castle is seen in a myriad of costumes made by the most famous modistes. The dancing in this famous couple has none of its grace and charm on the screen.

## Sporting Notes.

If there is no certainty as to where the world's series games are to be played by Sept. 21 the national commission has left it to president Herrmann to do the best he can with the situation. Getting the tickets printed in time for the distribution is what bothers.

He is to have the assistance of Huntington, former all-American quarterback, and "Bucky" Gouldard, former Williams star and of late years coach of the Syracuse university team. Some aids!

Gouldard seminary at Barre is winning fame as a fitting school for the big leagues. One of its schoolboy athletes, Witt, has been one of the sensations of the season as short stop for the Philadelphia Americans, and another of its little boys, Arthur J. Shay, has broken into the limelight in the same position with the Chicago Nationals. He made his debut against Philadelphia and in the field accepted five chances without an error, one of his efforts figuring in a double play. At the bat he was also conspicuous, getting two of Chicago's six hits.

## HARD TIME BOOKING GAMES.

High School Team Manager Has Difficult Proposition.

Just eight of the 11 High School boys who turned out for the opening football practice Tuesday were on the job yesterday afternoon. The team sadly needs more candidates if it is to make a presentable showing this fall.

Bellows Falls has lost only Montpelier from the strong team of last year and that team of veterans will make any others in the little league extend themselves to keep in the fight.

Manager Dennison Cowles, Jr., is having a hard time booking games. Vermont academy, being closed for the year, has no team and that removes from the field one of the natural opponents of the local high school team.

Other team managers are handicapped by the late opening of the schools and are forced to cancel some of the earlier games because of that handicap. Naturally they are not taking on teams new to them in preference to old opponents.

As the local schedule stands now the first game is booked for October 14 with Keene high school. It is possible that Manager Cowles will succeed in booking some preliminary game before October 14.

## THE PENNANT RACES.

Phils Gain on Dodgers by Double Win—Detroit Sinks to Third.

Philadelphia gained half a game on Brooklyn in the National league pennant race yesterday by taking a double-header while the leaders were winning one game. Boston dropped and fell to a point 3½ games behind Brooklyn, while Philadelphia holds second place, 1½ games behind Brooklyn.

Brooklyn has 15 more games to play, Philadelphia 15 and Boston 19.

In the American league Boston yesterday administered a decisive defeat to Detroit. The result put the champions two whole games ahead of Detroit and Jennings's men dropped to third place. The importance of the Boston victory is seen when it is realized that Boston has only 12 battles yet to go through, while Detroit has only eight. Chicago still has nine games to play.

## Sporting Notes.

The Braves have cancelled their claim on Hammond of the Springfield team of the Eastern league.

Schupp rested one day and appeared against the Cubs yesterday, winning the 15th straight game for New York.

In five chances against pitchers of the Braves yesterday Hal Chase got only a single, two doubles and a home run.

Philadelphia, ex-Giant and now very much of Philadelphia, pitched and won a double header yesterday against Pittsburg.

One of the three games the Braves were permitted to lose and still have a chance for the pennant has gone and to Cincinnati.

Henrikson has started his pinch hitting for the Red Sox a little early this season. He usually is not used until the world's series.

Rube Cram, former Brown university and Twin State twirler, who pitched good ball for the Belfast, Me., team this season, plans to spend the winter in the Maine woods.

The Yankees have released Ray Keating, Cliff Markle, Hal Cable, Dazzy Vance and Doc Cook to different minor league clubs. Roy Hartzell has been given his unconditional release.

Joseph J. Lannin, president of the Boston Americans, claims he will get out of baseball unless his team wins the pennant again. He claims to be convinced that the American league umpires are lined up against his team.
